71, Fenchurch Street, E.C. 3.

24th October, 1922.

Dear Sir,

I am in receipt of your letter of the 20th instant respecting the account rendered by you for the fees for the survey held during construction on the Steamer "CAPITAINE HENRI RALLIER", and note your remarks.

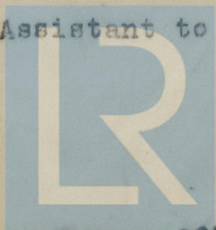

The case has received the consideration of the Committee at their Meeting to-day, and I have to say that the vessel has been classed \*100A1 subject to the markings on the anchors and chain cables being compared with their certificates of test, "Cargo Battens not fitted". Notations of A & CP and \*LMC 9,22 have also been assigned.

I am, Dear Sir,

Yours faithfully.

R. J. L. Ward, Esq.,  
PARIS.
