REC

A. LINKLATER,  
SURVEYOR.

Dear Sir,

Caen Report N° 76  
s.s. "Capitaine Henri Rallier"

The anchors and chains have not had their markings compared with the certificates of Test ; the builders not having received the certificates until after the vessel sailed. An opportunity for noting the markings on the anchors and chains placed on board, was not practicable.

The particulars from the certificates have been inserted in my enclosed first Entry Report; but the certificates themselves have not been endorsed by me for the reason above stated.

I respectfully recommend, therefore, the markings on the Anchors and chains be compared with the Certificates of Test.

I am, Sir,

Yours faithfully,

Secretary
