In a letter, dated 14th ultimo, the Owners state
that as this vessel also holds the classification of the
Bureau Veritas, they do not consider it necessary to maintain
her class with this Society.

The Classing Committee had the case before them
on Friday, 29th ultimo, and decided to give instructions for
the vessel's character to be withdrawn from the Society's
Register Book and three dots (...) inserted in lieu thereof,
indicating withdrawal of class at Owners' request.
