(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—*Extract from Sub-Committee's Report 24/5/1928.*)

Nature of Survey _____ When due _____

The Owners state they have decided to have the classification of this steamer cancelled with this Society.

As the vessel is already classed with the Bureau Veritas they do not think it necessary to incur double expense and request that the class be withdrawn from the Register Book.

It is submitted the class of the vessel be withdrawn from the Register Book and three dots (...) inserted in lieu, indicating withdrawal of class at Owners' request.

Withdraw Class.
