Dear Sir,

Hukuyo Kisen K.K., Kobe
s.s. "Fukuyo Maru"

With reference to our letter of the 9th October and previous correspondence regarding the above ship and the outstanding accounts for the survey held on the "Koei Maru" due to our Shimonoseki office, we enclose herewith a letter (translation) of the 20th October jointly signed by the managing director of the Owners and the Chairman of the creditors' committee.

As you will note from the letter it has been decided to lay up the ship for demolition. No acknowledgement has yet been made to their letter of 20th October by this office pending your instructions.

We are also advised that the ship is laid up at Mukaishima and demolition will commence this month, and we will confirm in due course.

Yours faithfully,

Bowman
For the Surveyors.

Encl.:-

As stated above.

The Secretary,
LONDON.

LONDON,
The Secretary,

as follows are

:- London

for the Знаменск.

[Handwritten signature]

Знаменск

the course, the Знаменск commenced this month, and we will continue to administer the affairs of the company in the most efficient manner possible. It is also advised that the company has been successful in obtaining the necessary licenses for the operation of the plant.

On the 15th of October 1922, the company received a letter from the Ministry of Finance, in which it was stated that the company's application for the necessary licenses had been approved.

The company is pleased to inform you that the necessary licenses have now been obtained, and the plant is ready to commence operations. It is also noted that the company's financial position is satisfactory, and it is hoped that the operations will be profitable.

With reference to our letter of the 15th October and the accountants' report, we enclose herewith a letter from the Ministry of Finance, in which it is stated that the company's application for the necessary licenses has been approved.
