Dear Sir,

T.S.S. "SULA"

The above vessel has been under survey for re-classification (completion) at Sasebo, Japan.

Please find enclosed all the necessary reports. A Deep Tank has been fitted in the No.4 Hold previously. Plans have been prepared by the shiprepairer and these are submitted for early approval. The deep tanks have been recommended not to be used pending approval.

A Provisional Load Line Certificate has been issued valid until 9th August 1952, and a copy of the C11(d) and C12(a) has been sent to New York.

Please find enclosed the necessary certificates, reports and plans.

The fees will be collected from this office.

Yours faithfully,

*G. G. Young*
