12th February, 1959

Dear Sirs,

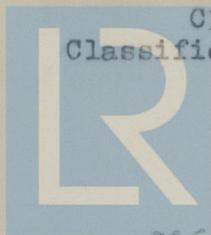

S.S. "PACIFIC MARINER"

(H) I acknowledge your letter of the 6th February. The Owners' proposal to carry out a General Examination when the vessel is drydocked in May or June, 1959, with a view to the postponement of the Special Survey until June, 1960, is in order and I shall be glad if you will inform them accordingly. It is noted that the Main Boiler and Screwshaft Surveys and the machinery limit will be dealt with at the drydocking.

Yours faithfully,

The Surveyors,
YOKOHAMA

Clerk to the
Classification Committee.
