Received from Chief Ship Surveyor .....

18 June 1949

VESSEL'S NAME

ATLANTIC QUEEN

REPORT P.Sd.

No. 4042

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The PORT SAID Surveyor reports (2.49) the vessel afloat and, as a result of collision during heavy weather, poop side plating, etc. found indented. (s.s.).

The Surveyor recommends this damage be dealt with at the Owners' convenience (Category 'B').

IT IS SUBMITTED the vessel is eligible to remain as classed.

As Now.
