Dear Sirs,

m.s. "LATIRUS"

I duly received your letter of the 22nd January last and have submitted this case to the Committee today in connection with the report of survey at Barry and Cardiff which has since reached this Office.

The Committee regret to note the extent of the repairs which will be required in this instance, and as the vessel is now laid up with a Special Survey overdue they consider they should follow their normal practice in such cases.

Accordingly they have given instructions for a notation of "Laid up - Special Survey and Repairs incomplete" to be inserted against the ship's name in the Register Book, but to assign notations of Docking Survey 1,58. and DBS 2,58. in respect of these surveys now reported.

Yours faithfully,

Clerk to the  
Classification Committee

Messrs. Shell Tankers Ltd.  
Ibex House,
