The Secretary,
Lloyd's Register of Shipping,
71 Fenchurch St.,
LONDON E.C.3.

Dear Sir,

m.s. "LATIRUS".

Further to our letter of the 18th November last, wherein we advised you the above named vessel would drydock at Cardiff for completion of Special Survey, we can now advise you that as a result of the examination which has recently taken place, also the fact that repairs and renewals required to pass Special Survey for a further period of 4 years are found to be uneconomical, arrangements are being made for the ship to be laid up in the River Black-water at an early date.

Thanking you for your attention.

Yours faithfully,
SHELL TANKERS LIMITED.
