Dear Sirs,

Steamer "LADY OLGA"

I have your letter of the 4th November, and note that the vessel has been out of commission since the 19th May last, and would inform you that it will be in order for the overdue Boiler Survey to remain in abeyance in the meantime, provided it is carried out before the vessel is re-commissioned.

It is noted that you will give timely warning before commissioning takes place.

Yours faithfully,

c.c. Nwc.

Classification Committee.
