Dear Sirs,

Steamer "DAHEJ"

I refer to your letter of the 6th December from which it is noted that this ship is still laid up at Aden.

The case received the consideration of the Committee at their meeting today and, in view of the fact that the year of grace within which all requirements of the Special Survey should have been complied with has now expired, instructions were given for the notation "Surveys overdue 12.59" to be recorded against the ship's name in the Society's Register Book.

As the ship is laid up, it may be that you would prefer that this should be reflected in the notation appearing in the Register Book and, if so, the Committee would be prepared to give instructions for a notation of "Laid up - Surveys overdue 12.59" to be recorded.

Yours faithfully,

c.c. ADEN

Deputy Clerk to the  
Classification Committee.
