Dear Sir,

M.S. "LEME"

We have received from the Genoa Surveyors a copy of your letter of 30th ultimo addressed to them with regard to the Refrigerating Installation of the above vessel, and with regard thereto we have to state that, while the machines to be installed in this vessel are in every respect identical to those fitted in the m.s. "FELLA", "CELLINA" and "RIALTO", the arrangement of insulation and refrigerated spaces of the "LEME" will be quite different from those of the three vessels mentioned above. Plans of same will be submitted in due course for consideration.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
LONDON.
