

M- V. "L. E. M. E".-

SPARE GEAR.-

MAIN ENGINES:

- 1 cylinder cover complete with valves, springs etc.
- 1 set of valves seats springs etc. for 1 cylinder
- 18 inlet-exhaust valves
- 6 fuel needle valves
- 1 piston with rings, studs & nuts
- 1 set piston rings for 1 piston
- 1 set main skew wheels for 1 engine
- 2 connecting rod bottom end bolts & nuts
- 2 main bearing bolts & nuts
- 1 set coupling bolts for intermediate shaft
- 1 complete set piston rings for each piston main compressor
- 1 half set of valves for main compressors
- 1 set of working parts for fuel pump
- 1 set cylinder cover studs & nuts

AUXILIARY ENGINES:

- 1 cover
- 1 set of valves, seats & springs for 1 cylinder
- 2 fuel needle valves
- 1 set of piston rings for 1 piston
- 2 connecting rod bottom end bolts & nuts
- 2 main bearing bolts & nuts
- 1 complete set of piston rings for each piston aux. compressor
- 1 " " " " " " electric. driven "
- 1 half set of valves for the auxiliary compressors
- 1 " " " " " " electric.driven "
- 1 set of working parts for fuel pump

AUXILIARIES:

- 1 set of valves for daily fuel supply pump
- 1 " " " " one bilge pump
- Assorted bolts & nut
- Lengths of pipe suitable for fuel delivery & blast pipes to cylinders, and air delivery compressors to receivers, with unions & flanges for each.
- 2 cylinder & compressor cyl. lubricat. pumps
