Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

12th February, 1921.

Dear Sirs,

I duly received Mr. Jorgensen's letter of the 5th instant enclosing your first entry report No. 248 on the S.S. "ATLANTIC", and with regard thereto I shall be glad if you will be good enough to state the name of the Society represented by the Surveyor who witnessed the tests of the anchors, and whether the Downton pump, shown on the approved pumping plan, has been dispensed with for the present.

You should also state whether the weights given for the stream and kedge anchor stocks are correct, the thicknesses of B strake of shell is as given on the report, the modification to the shelter deck stringer is as approved, and whether the workmanship and materials are good.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

MALMO.
