Lloyd's Register of Shipping.

71, Fenchurch Street, E.C. 3.

6th December, 1932.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 5th instant from which I note you have been informed by the Owners of the Steamer "AFGHANISTAN" that the gross tonnage of this ship in the Register Book is wrong and that the actual tonnage is 5615.76.

I may say that this figure has been confirmed by the Registrar General of Shipping and in the circumstances the necessary correction will be made in the Register Book.

I await the receipt in due course of the Convention freeboard certificate and certified copy from the Owners for amendment.

I shall be glad if you will be good enough to convey to the Owners an expression of my thanks for drawing attention to this matter.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
NEWCASTLE ON TYNE.
