The Secretary,

LONDON.

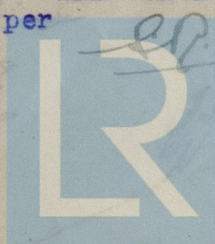

Dear Sir,

s.s. "AFGHANISTAN", No. 56586 R.B.

We beg to state we are informed by the Owners that the record of Gross Tonnage appearing in the Register Book is in error, and they have produced to us an official transcript of the vessel's Register showing the actual tonnage to be 5615.76. The Under Deck and Nett Register tonnages are correctly recorded.

The Owners would be obliged if the necessary amendment might be made in the Society's Register Book, and they will arrange to forward you the freeboard certificates for correction at the first available opportunity.

We are, Dear Sir,
Yours faithfully,
