22nd June, 1917.

5 ENCLOSURES.

Dear Sirs,

M.

With reference to your freeboard report on the S.S. "ABRIEDEN", I have to inform you that it is concluded that 5 webs are fitted in No. 4 hatchway as indicated on the approved deck plans, instead of 4 as stated in your report, and I have to request that you will confirm this.

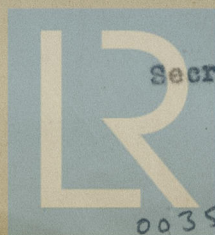

I have further to state that the freeboards have been computed on the assumption that ceiling is fitted over the entire double bottom, and not under the hatches and over the bilges only as indicated on the approved midship section.

The usual printed letters giving particulars of the freeboards assigned to this vessel are enclosed, also a copy of the computation for your information and guidance, and the approved plans, two in number, which were forwarded for reference.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
SUNDERLAND.

Secretary.
