

Messrs. Deutsche Werft & Yard No.181.

Shafting.

The sizes of the shafting for this vessel were previously approved.

The Hamburg Surveyors now forward for consideration plans showing arrangement and details of shafting.

IT IS SUBMITTED that the plans showing arrangement and details of shafting, viz:- No. M.33.175 - Sterntube, No. M.31.273 - Shafting details, No. M.30.202 - Amended shafting arrangement, merit approval.

It is noted that the screw shaft liner will be shrunk on the shaft in one piece.

Plan approved 25.8.36 should be cancelled.
Return 3 plans.
Retain 3 copies.
