Ref. Classn. (H.)

Dear Sir,

Steamer "SWAZI COAST"

I am in receipt of your letter of 23rd inst., concerning the above named Vessel, which has been laid up these past few weeks.

The future of the Vessel is at present obscure, but there is every possibility that the "SWAZI COAST" will be converted into a barge & have her engine & boiler removed; & stationed at Walvis Bay by her Owners, owing to the congestion at that port.

The Owners are not likely to make a decision in this matter until the new year.

Yours faithfully,

J. R. Ritchie
Surveyor.
