HJW Dear Sirs,

## CLASSING LETTER

"VISHVA KIRTI" - Having regard to the contents of your letter and enclosure of the 18th December, a notation of ABS. 8,62 has now been assigned.

21048 "JAG MATA" - As recommended. It is noted from your report that the Main Boiler Survey will be completed on the ship's return from a short coastal voyage. In view of the fact that this survey became due so long ago as May last you should inform the Owners that the Committee rely on this arrangement being adhered to without fail. Please inform me immediately should the survey not be completed as stated.

21050 "JALAMATSYA" - As recommended, except that assignment of the notation MBS. 9,62 has been deferred until the condition of class relating to the starboard boiler has been dealt with.

Yours faithfully,

pro Clerk to the  
Classification Committee.

The Surveyors,  
CALCUTTA
