Dear Sirs,

50 "JALAKANYA" - As recommended, except that the machinery class has been continued subject to the propeller being specially examined at the next drydocking as previously recorded and to the screwshaft being examined and crack detected by September, 1962. In the meantime assignment of a fresh record of Screwshaft Examination has been deferred. Please issue an amended interim certificate.

52 "JAG MATA" - As recommended, the Committee having agreed to the Special Survey being postponed until February, 1963. Please inform the Owners accordingly. This ship already holds a notation of class MBS. 5,61 as a result of the survey covered by your Report No.1470. The condition of class concerning the centre boiler has now been stated.
