Dear Sirs,

Steamer "JAG MATA"

Reverting to your letter of the 5th June last relating to your Report No. 20141, I have to remind you that in subsequent correspondence the amount of chain cable to be supplied is still quoted as 65 fathoms.

In these circumstances, it is concluded that you have informed the Owners that 75 fathoms require to be supplied, and in this respect I would particularly refer you to your letter of the 24th August last, wherein you stated that 65 fathoms had been ordered from the United Kingdom.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
CALCUTTA.
