Dear Sir,

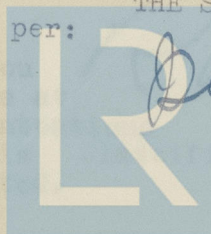

"ROCKLEAZE"

With reference to your letter of the 16th instant addressed to the Owners of the above vessel regarding the Special Survey due at the end of October, we are advised by the Owners that she is laid up and it is their wish that her class be retained. They would like to postpone the Special Survey until it is likely that she will resume trading and to hold it in conjunction with the Boiler Survey.

Yours faithfully,

THE SURVEYORS.
