

m.s. "ANNIE JOHNSON"

Built 1925-11.

'SS (Dr) 6,57'

Last record of drydocking 8,61.

Notation "Laid - up - Surveys Overdue 6,61"
has been assigned.

Mr. V.T.Bulow of Stockholm has 'phoned to advise that the above named ship has been sold for scrap and requests authority to carry out a General Examination to enable her to proceed in ballast under her own power from Stockholm to Ystad in Southern Sweden (36 hours coastal journey) for breaking up purposes.

The Stockholm Surveyors were informed by cable that provided the ship is generally examined and found or placed in a satisfactory condition for the proposed voyage in ballast, they may issue a certificate to this effect as an unclassified ship.

The Stockholm Surveyors report ship examined on float and found in a satisfactory condition for the proposed voyage.

In view of the above, IT IS SUBMITTED the ship is eligible to proceed in ballast from Stockholm to Ystad as an unclassified ship, but ACTION be DEFERRED pending further information.
