1st June, 1961.

Dear Sirs,

"ANNIE JOHNSON".

In reply to your letter of the 6th May, I have to inform you that the Committee are agreeable to a general examination being held in drydock at the end of June with a view to the postponement of the Special Survey, but owing to the age of the ship the period of postponement granted will be determined by her condition as found and reported upon at the time of the general examination.

It is concluded that postponement of the Special RMC Survey is also desired.

I shall be glad if you will advise the Owners accordingly.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
STOCKHOLM.
