Extract from N.Yr. S.O. letter dated 20.7.42.
Original with "S"

S/S "SINCLAIR RUBILENE" n. Yr. 41921. It is confirmed that the steel used has been tested as required by the Rules, and that the coating of the bottom in way of the machinery spaces is the same as in the sister ships. The Surveyor also confirms that the steam pipes have been tested in the shop to not less than 1,000 lb. per sq. inch.
