Dear Sirs: Att. Mr. J.O'Connor

S/S "SUMMIT I"

We wish to acknowledge receipt of your letter of August 15, 1958 to which we have been unable to reply until the status of this vessel could be determined.

Because of the present tanker market, vessel owners have been unable to obtain suitable business which would permit them to carry out the overdue surveys at this time. Consequently, they have been obliged to lay up this vessel at Singapore, where she arrived August 27, 1958, for an indefinite period of lay-up.

If and when the vessel is to resume service, it will, of course, be necessary to carry out the overdue surveys. At the present time we cannot anticipate when the market conditions will permit owners to carry out surveys and repairs in order to restore vessel to service.

Yours very truly,

AGENSHIP N.V.
