Dear Sir,

S.S. "SUMMIT I"

With reference to your letter and enclosure of the 25th and my reply dated 28th February last, no information has yet been received in this Office relating to the overdue surveys.

The Main Boiler Survey is now six months overdue and the last recorded date of dry docking is January, 1957. The Special Survey, due June last, has not yet been commenced and I shall therefore be glad to learn by return, for the information of the Committee, what definite arrangements have been made by the Owners for these overdue Surveys to be held.

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
NEW YORK.
