29th May, 1959.

Dear Sirs,

(H)

M.S. "RIZA KAPTAN"

I have your letter of the 26th May, and enclose herewith a sheet showing the position as regards the Continuous Survey Cycle of the Machinery at this date.

The Donkey Boiler Survey will become due at the end of next month.

No part of the Hull Special Survey has yet been carried out.

In view of the fact that the Special Survey became due so long ago as April, 1958, I shall be glad if you will advise me immediately should the ship leave your port without having the inspection in question completed.

Yours faithfully,

The Surveyors,  
NAPLES.

Clerk to the  
Classification Committee.
