

12th September, 1958.

BUL

"KAPTAN" Before your Rpt. 9 No. 4726 receives the consideration of the Committee, I shall be glad if you will confirm that you order the furnaces of the Port Donkey Boiler to be efficient for further full 12 months before being renewed, in view of the fact that the Hamburg Surveyors had previously recommended a five month limit requiring renewal of these furnaces by July,

An early reply is desired.
