Dear Sirs,

Steamer "KULANGSU"

The Committee have today had before them a letter received from the Hong Kong Surveyors stating that they have been informed by the Owners that this vessel is due to arrive at Shiba on the 29th instant to discharge a shipment of ore from Mormugoa; and that the Owners then desire to send the vessel, with cargo, to Hong Kong for survey.

This request has been approved provided you are afforded an opportunity to inspect the Load Line items and to satisfy yourselves in regard to the renewal of fifteen hatch boards and repairs to hatch coamings stiffeners recommended by the Mormugao Surveyor last month. Provided all is found to be satisfactory you may issue a short term Load Line certificate to enable the vessel to proceed to Hong Kong.

Yours faithfully,

c.c. Freeboard

Clerk to the  
Classification Committee.

The Surveyors,  
YOKOHAMA.
