

Hyrcania
for Classification of Machinery

21st September, 1949.

Dear Sirs,

I am in receipt of your letter of the 6th instant respecting the T.2 Tanker "HYRCANIA", the contents of which are noted.

In reply I have to say that a full classification fee of £171 should be charged for the survey of the hull, plus a Strapping and Repair fee of £80, on the assumption that you are satisfied that the fee for the damage repair is adequate for the services rendered.

A charge of £68 should be made for the completion of the machinery survey and £19 for the completion of the electrical survey for classification, in addition to the fees already entered on your report.

Yours faithfully,

Clerk to the Classification Committee.

The Surveyors,
NEWCASTLE.
