'H Y R C A N I A' (T2 Tanker).

sification Survey for Strapping and Repairs (Fees).

The Classification Survey was commenced at
ort, News., in October 1947 but a fee was not charged.

A General Examination was held at Southampton
.48 for which a fee of £29. was received.

IT IS SUBMITTED the NEWCASTLE Surveyors be informed
eplly to their enquiry, that a full Classification fee
171 should be charged, plus a Strapping and Repairs
of £80.

It is concluded they are satisfied that the fee for
damage repair is adequate for the services rendered.
