QUESTION

ANSWER

13 MAR 1959

Date:— 6-3-1959.

With reference to your letter of the 12th January, I shall be glad to learn, by return, what early definite arrangements are proposed to be made for the machinery condition of class to be dealt with as no information has been received in this office to the effect that the low sea injection valve chest has been renewed at Singapore.

We have been informed by Messrs. Shell Tankers Ltd. of Rotterdam that this ship has been sold for breaking up to the Hong Kong Salvage & Towage Co.Ltd. of Hong Kong.
