S. Dear Sirs,

m.s. "ONDINA"

I am in receipt of your letter of the 18th instant regarding the above named vessel and in reply may say that in the circumstances the examination of Nos. 7 and 8 journals at Jacksonville in May last has been accepted in this instance.

I would add that the Surveyors report covers the examination of the auxiliary piston cooling water pump.

I am, Dear Sirs,
Yours faithfully,

Clerk to the
Classification Committee.
