RMC/BMD Dear Sir,

Motorship "TEXACO NUEVA ANDALUCIA"

I acknowledge the receipt of your letter of the 9th instant and am pleased to inform you in reply that the Committee are prepared to agree to the Owners' request for maintenance of class until the end of next month provided the vessel on arrival in the United Kingdom is found or placed in a satisfactory condition for this further postponement.

The Continuous Survey of the machinery is well in hand.

For the Load Line Certificate it will of course be necessary for a Load Line Survey to be held in conjunction with the General Inspection for classification purposes.

Yours faithfully,

c.c.Oslo
c.c.Freeboard

Clerk to the
Classification Committee.

The Principal Surveyor,
NEW YORK.
