LONDON

"TEXACO NUEVA ANDALUCIA"

Dear Sir:

We would refer to your letter dated 14th December, 1960, reference Classn.(S), regarding postponement of the Special Survey. It is assumed that the Falmouth Surveyors have subsequently recommended that the Special Survey may be postponed until the end of November, 1961.

Arising out of this matter the Owners here have advised us that the vessel will sail from the West Indies, for Avonmouth, on or about the 15th of November, and that subsequent to this voyage the vessel will sail for Norway where she will be sold for scrapping.

The Owners have, therefore, requested that an extension be given, and a short term load line certificate issued to the end of December.

We would be obliged, therefore, if you would advise this office accordingly, regarding this case.

Yours faithfully,

Chief Representative and
Principal Surveyor
