Dear Sir:

S/S NUEVA ANDALUCIA
N. Ns. 6056

Referring to my letter of the 10th instant addressed to Mr. Sim, at Newport News, copy of which was attached to the above mentioned report, I may say that Mr. Sim replies to confirm that the corrections and additions mentioned in my letter are agreed to.

With regard to the plans enumerated in his report, these have just come to hand today and are enclosed herewith. I would however, point out to you that on checking these plans, it has been ascertained that the three "as built" plans:

- No. J-5225-718-2
- J-5225-706-1
- J-5225-715-2-2

have been duplicated among the approved plans listed and we have therefore forwarded only the "as built" copies of these.

Yours faithfully,

[Handwritten signature]
