The Secretary,
London.

Dear Sir,

With reference to your classing letter of the 9th instant respecting the motorship "NORDANVIK", Gothenburg report No. 8165, I beg to acquaint you that we have no copy in this office of the approved plan of the donkey boilers fitted in this vessel.

As no plans were forwarded us with your letter of the 28th October last, enclosing the Middlesbrough reports Nos. 14210 & 14213, we surmise that the plans are still in the Middlesbrough office.

I am, Dear Sir,

Yours faithfully,

V. Paulow
