31st October, 1957.

Dear Sirs,

Whaler "STAR XII"

I acknowledge your memorandum of the 21st instant and in reply would inform you that in the circumstances the Committee have assigned a notation of "laid up - surveys overdue".

As I think you know, it is not their practice to record this notation in the case of a Whaler which is out of commission for one season, but as this vessel's lying up period has extended into the second winter, the Committee have considered that this notation should appear in the Register Book.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
OSLO.
