QUESTION

ANSWER

Date:—

25th October 1956.

I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making to carry out the Boiler Survey which became due at the end of July. I shall also be glad to learn their intentions with regard to this vessel being examined in drydock, as it would appear from the records in this Office that she has not been seen in drydock by the Society's Surveyors since July, 1955.

This ship has been laid up, and will not be commissioned this season, and the owners therefore desire to postpone all surveys.
