

27th January, 1956.

OSLO.

887,7860 - As recommended.

7861 - As recommended. In future similar cases, machinery items which do not apply to the ship in question should be deleted from the Rpt.9 with a black line in accordance with the italics note in the heading of the report.

888 "STAR VIII" - As recommended, except that a notation of ps. 11.55 has been assigned, it being concluded that this record is warranted. Your confirmation of this is, however, desired.

7866 As recommended. It is concluded, but I shall be glad to receive your confirmation, that there are three bower anchors on board, not two as stated in your report. Classification certificates in respect of the Special Survey of Hull and Machinery are enclosed for transmission to the Owners, provided the equipment is in fact in accordance with Rule requirements.
