Dear Sir,

STAR XII, ex JACOBUS

I am in receipt of your letter of the 19th instant relative to the above vessel.

In the first instance, the Owners requested that the vessel be reclassified /100 AL "For Whaling Purposes" but when they learned that the class approved was 100 AL "For Whaling Purposes", they decided to retain the BC classification, *BS. No first entry reports are therefore required which we have compiled in error.

Yours faithfully,

For the Surveyors.

The Secretary,
LONDON.
