A,  
Dear Sir,

With reference to Glasgow Report No. 67909 relating to the case of Transport Ferry 3037 (J.11723), I am directed to inform you that an account has today been rendered to the Director of Navy Accounts for the fees due for the supervision of the requirements of the Specification during installation of engines and boilers, and, in due course the Glasgow account will be credited with the sum of £23 in respect thereof.

Yours faithfully,

The Secretary,  
GLASGOW
