

WOKINGHAM COPY.

S

10th September, 1943.

Dear Sir,

With reference to Glasgow Report No.66824 on Messrs. British Auxiliaries Engines Nos.446, 447 and 448, it is noted from a report received from Belfast that these engines have been installed in the new motorship "SAMANCO", and the Committee have today assigned to this vessel a notation of "B100A1 With Freeboard" together with the various notations recommended by the Surveyors.

I am, Dear Sir,  
Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
GLASGOW.
