Dear Sir,

In reply to your classing letter of the 19th instant regarding "YANDRA", Rpt. 7808, we have to state that the thickness of the upper deck stringer plate is fitted .54 thick, and not as reported .34" thick.

We are in receipt of copy of report No. 93067, having noted the contents we regret that repairs have been necessary to the rudder head stuffing box.

I am, Dear Sir,

Yours faithfully,
