Dear Sir,

S.S. "LORD LLOYD"

In reply to your memorandum of the 30th October, I have to say that the Committee are agreeable to a General Examination of the hull and machinery being held at the end of this month, with a view to the postponement of the Special Survey for a period to be determined by the condition of the trawler as found and reported upon, provided that at the General Examination special attention is given to the conditions of class.

I take this opportunity to point out that the Main Boiler Survey will become due at the end of December next.

Yours faithfully,

Deputy Clerk to the  
Classification Committee

The Secretary,  
LIVERPOOL.
