Manchester, 13th July 1943.

Dear Sir,

s.s. "ST EUNAN".
L. Gardner & Sons Engine Type "4.L.3".

We are informed that Messrs. L. Gardner & Sons Ltd.,
have received an order from The Ardrossan Dockyard Ltd., to supply
One auxiliary engine to be constructed under our survey for installation
in the above vessel.

We enclose herewith copies, in duplicate, of
Drawing showing the Crankshaft (D.8901) and the Flywheel (E7322)
together with Data Sheet showing the particulars of the engine.

We shall be glad to receive one copy of the plans
together with your remarks in due course.

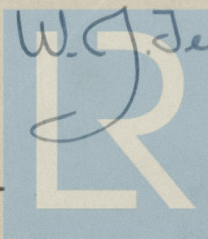

We are, Dear Sir,
Yours faithfully,
The Surveyors.
