Dear Sirs,

S.S. "STCAPPALLE"

The case of the above named vessel has received consideration today in the light of your memorandum of the 10th December.

In reply I am requested to say that the Committee consider they would be exceeding their powers if they were to grant an extension to the special Survey being postponed beyond the end of this month when the year of grace will expire.

RVEYOR BOMBAY (INDIA) (3.2.59).

STCAPPALLE REPLY AWAITED Mylet SECOND JANUARY.

They are anxious, and if it is likely to be of assistance to them, the Committee would be prepared to agree to maintenance of class until June next provided a Modified Special Survey were held before the end of this month. A Modified Special Survey would mean a complete examination of the ship's machinery as for a full special survey.

COMMITTEE.
